## Project Updates

### **Pedestrian Gate**

- Estimates have been received for fixing the pedestrian gates. A decision will be made soon on next steps.
- Once fixed, pedestrian gates will be accessible only using the gate code.

### **Trees**

- When the community was built, oak trees were planted throughout the community.
- Oak trees are encroaching on foundations.
- A tree replacement plan is in work.

## Rule in Focus – Gate Code

- REMINDER: Please DO NOT post the gate code in public when you have an open house. This is a violation and a security risk.
